ADDENDUMS

The Club for Growth chose The Breakers hotel for several reasons. The hotel has the conference spaces we require—for groups larger than 100 people—and the level of conference services we need to host that many people. We hire a conference broker to ensure we find the least expensive hotel that would accommodate our group. This contract was signed 3 years in advance to secure these comparatively low rates. The cost of the room at The Breakers is \$495 per evening. The rooms at this rate that we offer Members of Congress are the same rooms we block out for and rates we offer to our attendees, and is the least expensive rate that we are able to offer. This is significantly less than the non-contract room rates that start at \$810 per night that we negotiated down with the assistance of our conference broker.

Meals served at The Breakers are the same for Members of Congress as they are for conference attendees. The Club for Growth works to order the least expensive meal options that The Breakers has available, and is working with the hotel staff to reduce the costs of meals as well. The hotel works their overhead for large banquets into the meal costs so actual price reflects costs to maintain their facilities, wait staff, cleaning staff, food preparation and kitchen maintenance. In addition, “extras” are not made available to Members, including alcohol, and therefore extras are not calculated into the meal estimates for the Members.
